## 14<sup>th</sup> edition of the Sesames Awards: The most innovative solutions on stage at the Théâtre de Paris

**309 candidates, 34 finalists:  
Only 10 of them will be awarded on Monday, November 16<sup>th</sup> 2009  
during an exceptional evening**

On the eve of the CARTES & IDentification exhibition 2009, the Sesames Awards have become the worldwide reference for smartcard manufacturers and the industry that surrounds them. As undisputed labels of innovation and much coveted awards, these awards are open not only to CARTES & IDentification exhibitors, but more broadly to all players in this field: industrials, users, integrators and developers. Selected by an international jury, the 10 winners will be revealed on November 16<sup>th</sup> 2009 in Paris during a gala evening at the "Théâtre de Paris".

### An impressive cast

On the eve of the exhibition's opening, the 10 prize-winners will be in the spotlight during an evening organized on **November 16<sup>th</sup> 2009** in one of the most famous places in Paris, the "Théâtre de Paris".

The major world contributors of the sector (*Gemalto, Giesecke & Devrient, Hypercom, Monext, Neowave Sas, Oberthur Technologies, Xiring, etc.*) will take part in this event.
